## Heathcote

### FROM ECHUCA:

Turn left off Northern Highway at Rochester onto **C362**.

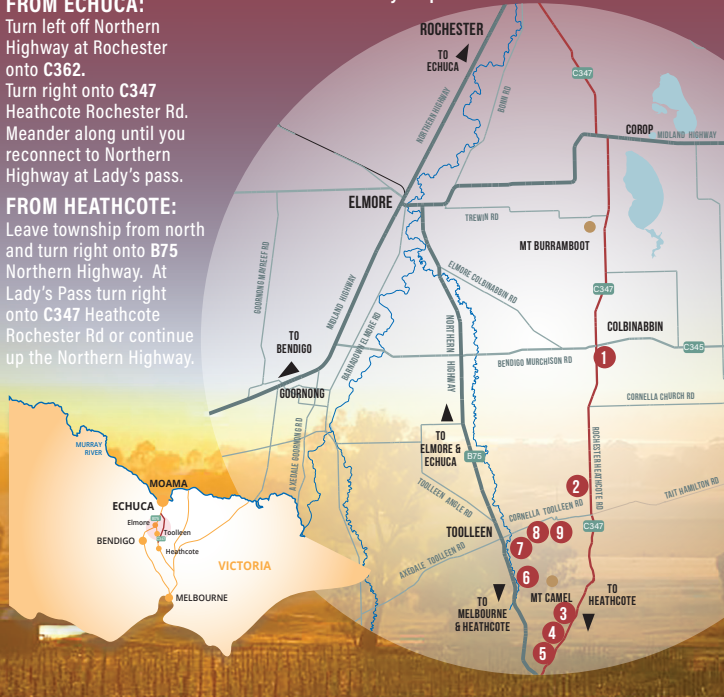

Turn right onto **C347** Heathcote Rochester Rd. Meander along until you reconnect to Northern Highway at Lady's pass.

### FROM HEATHCOTE:

Leave township from north and turn right onto **B75** Northern Highway. At Lady's Pass turn right onto **C347** Heathcote Rochester Rd or continue up the Northern Highway.

The Mt Camel Range is a micro winery zone within the famed **HEATHCOTE WINE REGION**. Stretching 30km between Corop and Heathcote, it's book-ended by the gentle peaks of Mt Camel and Mt Burrumboot.

We invite you to explore our stunning views featuring rolling hills, plentiful vines and unique volcanic red soil. You'll stumble upon a goldmine of award winning wineries - robust Shiraz is what we're famous for but there's plenty of white, red and alternative varieties to satisfy all palates.
